

# Our Favorite Drugstore Foundations for Summer

By Ardenis Perez

Don't let the heat scare you away from wearing makeup. Get your canvas ready for its close up with these go-to inexpensive foundations.

1 of 11

## L'Oreal Paris Infallible Pro-Matte Foundation

Hot, humid weather is oftentimes the cause of oily, sweaty skin in the summer. This matte foundation doesn't budge and will keep you looking fresh all day without your skin feeling heavy.

## Maybelline New York Fit Me! Shine-Free and Balance Stick Foundation

To say we love sticks is an understatement! Just pop this one in your bag for easy touch ups on the go. Pro tip: Use it as a concealer to quickly hide blemishes or dark circles.

## Revlon PhotoReady Candid Natural Finish Anti-Pollution Foundation

This summer, you'll probably be tethered to your smartphone trying to capture the best family shots. With its anti-blue light ingredients, this foundation will protect your skin from the light that emits from your phone. Vitamin E also serves as an antioxidant to shield your face from environmental stressors.

## CoverGirl Simply Ageless Liquid Foundation

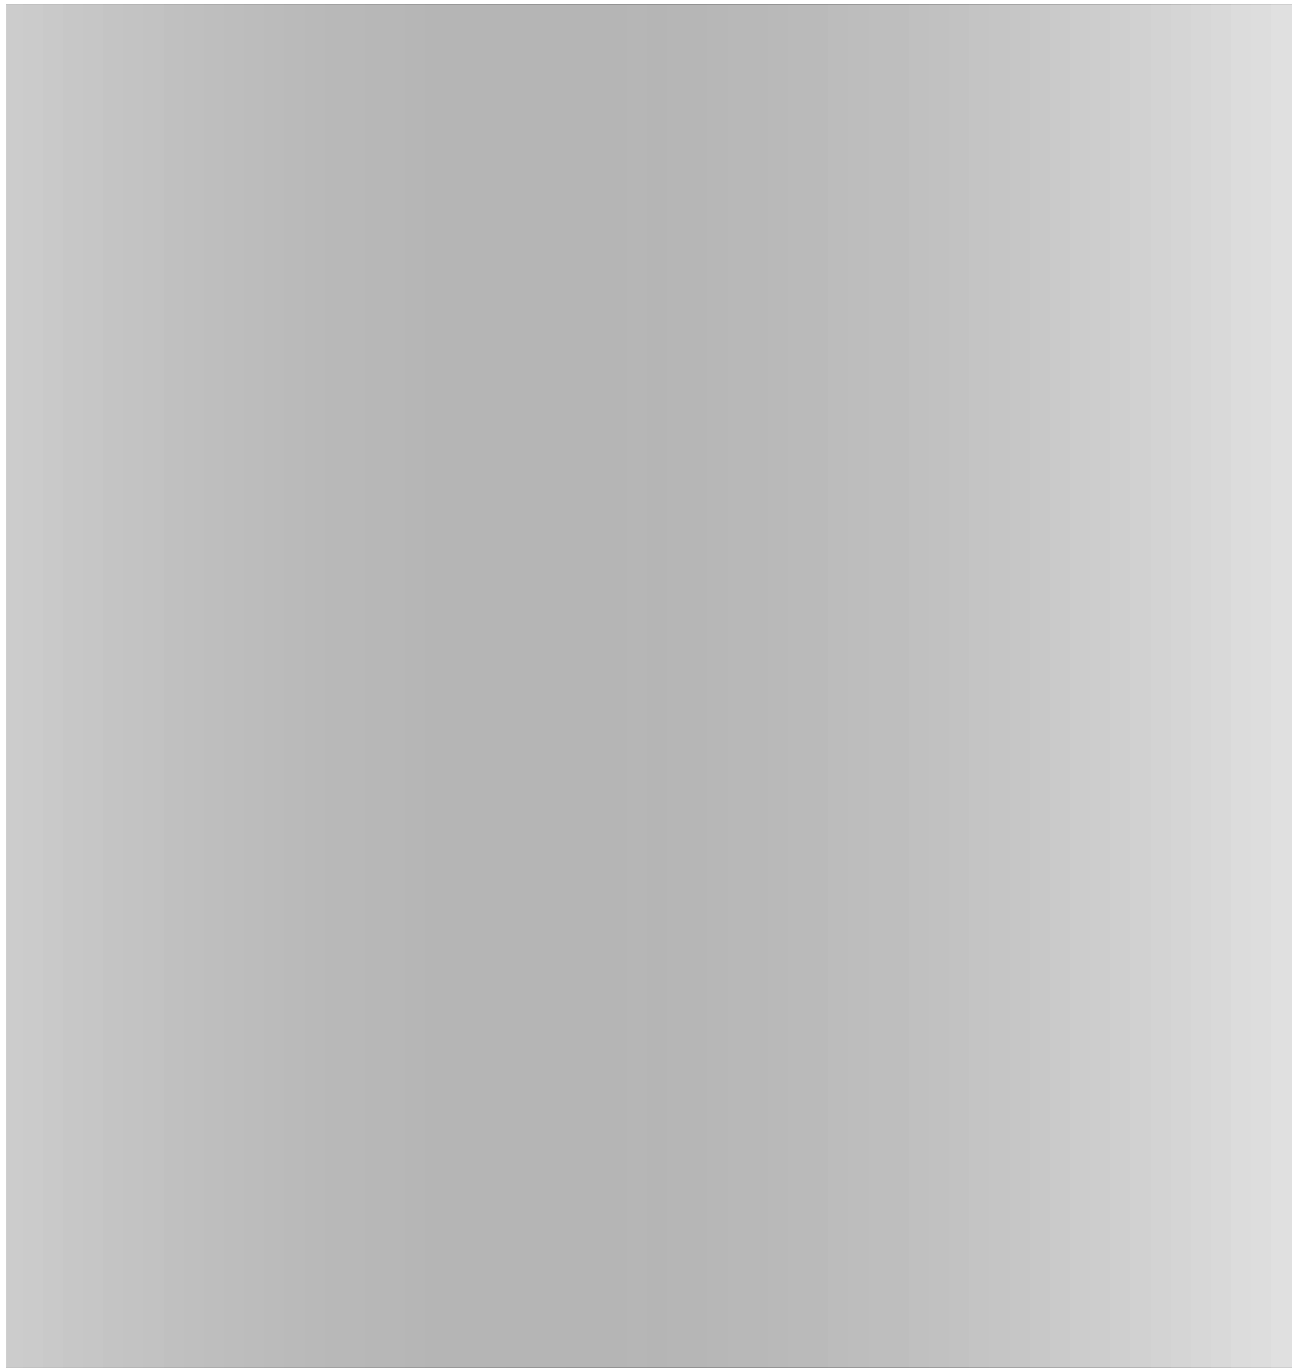

You'll love this one because of the extra benefits it provides apart from great coverage. Not only does it even out your skin tone but it also reduces wrinkles and keeps your skin hydrated—ideal if you have mature, dry skin.

## Wet n Wild Photo Focus Foundation

You'll always be camera ready with this matte foundation. Because of its light-diffusing complex you can wear it, snap a picture, and not see that annoying white cast on your face in the photo.

## Flower Powder Trip Powder Foundation

If liquid foundation is not your favorite, try this powder one instead. Use its counterpart brush to evenly swipe the pigmented powder all over your face. Coverage is light and natural, but its blurring power is worth it.
